Re: Service Interruption

The City of Kenedy is making a necessary tie in on a main water line. To do this, it will be necessary to turn off the water to your service area for approximately 4 hours starting at 9:00 am today 1/28/2022. When the tie in is finished we will open the water line back up and flush the air out of the line. It is possible that some air will still be trapped in your service line. This will go away with a little flushing.

We thank you for your support and apologize for any inconvenience this may cause.

Thank you for your cooperation and support.

Gary Paredez
830-583-3217 Extension 3
Public Works Director
