

Boil Water Notice Rescinded

On September 7, 2023, the Texas Commission on Environmental Quality (TCEQ) required our public water system, City of Kenedy, PWS ID 1280002 to issue a Boil Water Notice (BWN) to inform customers on Bellaire, Robinhood DR., Nottingham Ln., and F.M. 2102, that due to the possible presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of September 8, 2023.
