Main to W. Dailey /Tilden from S. 6th to S. 7th/ S. 7th from Tilden to W. Main ST / Craig St./W. Liveoak from S. 5th to N Sunset Strip, that due to the possible presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of March 1, 2024.
